Dear Parents/Carers

Parents Forum meeting—27.1.10

I attended a meeting this week led by Surrey County Council discussing their plans for the future of Epsom and Ewell. Their long term aim is to link Infant and Junior Schools together making Primary schools. We are in a position of possibly linking with Danetree, or becoming a stand alone Primary School. Surrey say they have no money for building projects, but we do have enough space to become a two form entry Primary School. Hence the petitions which have been put up by the PSA around the school. If you have any strong views on the future of our school, please write and the PSA will make sure that the letters get to the correct room at County Hall. I will update you on any further developments of this.

Haiti Appeal

A big thank you to everyone who made a donation towards the Haiti appeal last week, you have been very generous and as a result have raised £1382.26!

Valentine Discos

Please ensure your children come to school in their school uniform. Parents will need to come to school at usual pick up time to change your child then escort them to the hall. Parents will not be allowed to stay during the disco. Only children who attend *after school club* need to bring a change of clothes.

Reminder

We would like to remind parents to monitor what the children are watching on television/dvd especially after the recommended watershed time.

Creative Arts Week

The children have had a wonderful creative arts week. They have been creating poems, making masks, props and costumes and all around the school has been the sound of singing and music making. On Monday the children all had a workshop with a professional dancer and on Wednesday had their musical soundtrack recorded. Today we will be performing our musicals to each other on the stage. I would like to say a big thank you to Miss Green and Mrs Edge for organising such a wonderful week for the children.
